

Learningabled™

DETECT, DIAGNOSE, INTERVENE, ENABLE

SCHOOL STARTS SOON!

Back To School Strategies:

Come learn a variety of fun activities that you can practice with your children to help them get ready for the start of a new school year.

Recommended for parents of children entering grades 1-5

PRESENTERS:

Cathy Equi, M.Ed.

Cathy is an expert in the field of education, who has taught as a special education resource teacher for the past 15 years. Cathy has worked with students across the elementary education levels (K-5); including children with Autism, ADD, behavioral needs, Down Syndrome and Learning Disabilities.

Chris Fitzgerald, Ph.D., L.C.P.C.

Dr. Fitzgerald is a Nationally Certified School Psychologist and Licensed Clinical Professional Counselor. She has served the public school community as a School Psychologist for the past thirteen years. Her work has primarily focused on developing educational supports to meet the needs of children ranging from the early childhood preschool level through high school who are experiencing developmental, learning, social emotional and/or behavioral challenges. Dr. Fitzgerald currently serves as the Director of Diagnostics at LearningAble.

July 30, 2008 7:00 p.m. to 8:30 p.m.
